It Pays to Handle Stencils

Many thousands of Stencils are used in all communities. The Decorator is using them daily and it is surprising how many folks will buy Stencils to do their own decorating.

Display the Stencils in your window. It will surprise you how many people will be attracted to visit your store that may otherwise never come in. Just such a small matter as a Stencil is often the opening wedge for bigger business in other lines. The investment is small, but the possibilities are great. A stock is not complete without Stencils.

OUR PRICES ENABLE THE DEALER TO SELL STENCILS AT POPULAR PRICES. Make your own selection, because you know your trade best. If you want us to make up a selection, just tell us the amount you want to invest and we will send you the best selling numbers in this line.

We Guarantee the Sale of Our Stencils.

See inside page of front cover.

ART STENCILS

We consider this the most practical line of stencils from the dealers point of view, for both the retail trade and for the decorator. It is easily the best selling line and is backed up by an organization that can be depended on for prompt and efficient service.

Art Stencils are designed to suit the most exacting taste. Made of the finest Stencil paper by skilled tradesmen to assure complete satisfaction.

It is advisable to varnish or shellac the stencils if water color is used. In stenciling with oil colors this is not necessary. Clean the back of the stencils after each stenciling.
